## **PROFESSIONAL STATUS**

Arbitrator/Mediator/Factfinder practicing nationwide with home base in Northern California.

## **PROFESSIONAL EXPERIENCE**

Arbitrator on the arbitration panels maintained by the American Arbitration Association, Federal Mediation and Conciliation Service, National Mediation Board, Sacramento County Judicial Arbitration Committee, California State Mediation and Conciliation Service and Los Angeles City Employment Relations Board. Member, National Academy of Arbitrators. Licensed to practice law in California, the District of Columbia and Illinois.

As a full-time arbitrator since 1981, I have heard approximately 2,000 cases involving many different issues and parties. Arbitration experience in the private and public sectors: specifically, in federal, state and local governments, education, chemical, communication, food, restaurant, retail establishments, health care, light and heavy manufacturing, lumber, paper, steel, household products, trucking, airlines, railroads, agriculture and construction. Permanent arbitrator between Burlington Northern Company and Transportation-Communications Union (1984-present); on the panel of arbitrators for McClellan Air Force Base and AFGE (1987-present); for IAM and Northwest Airlines (1987-1988; 1990-1991); for IAM and Alaska Airlines (1988-1991); AFGE and GSA (1989-1991); and CSEA and Grant JUHSD. Hearing Officer for Sacramento County Civil Service Commission. Permanent mediator and arbitrator of all disputes arising under the National Agreement between Brotherhood of Locomotive Engineers and National Carriers Conference Committee (1986-present); serving a four year term as a permanent arbitrator on the TCU-NRLC Joint National Salary Board; appointed by the President to serve on Emergency Factfinding Board to recommend settlement of threatened national railway strike (1986) and the parties adopted the Board's recommendations thus averting a strike. Extensive experience in interest arbitration, mediation and factfinding in both private and public sectors.
